Do not look how long it will take to accomplish those goals, or how hard it will be. Take it step by step and know that one day it will all be worth it.

## 2025 Annual General Meeting

A great turnout at the 2025 Annual General meeting with 19 members in attendance.

A few items to note:

1. if you have some left over balance in the PMACC account, you need to tell the PMACC Treasurer to use it if you want it to go towards your membership for 2025-2026.
2. HCWG has allocated money to support PMACC to purchase such consumables as bandsaw blades, scroll saw blades, sanding papers, etc.

The 2025-2026 Committee was voted in, and we congratulate Greg Scrivner (President), Howard Horsman (Vice President), George Campbell (Secretary), and Roger Kilburn (Treasurer). The General Board members are Sharada Boyce, Bob Robinson, Bob Jones and David Wells.

3. Three new members were welcomed- Garry Douglas, Jeannie Sainty (returning member) and Bob Walker.
